DEFINITIONS

The 'SELLER' means AMPHENOL LTD of Thanet Way, Whitstable, Kent.

The 'BUYER' means any person, firm or company purchasing the goods and/or services supplied by the Seller.

'CONTRACT' means any contract between the Seller and the Buyer for the sale and purchase of goods and/or services to be supplied by the Seller incorporating these conditions.

PREVAILING CONDITIONS

All Contracts between the Seller and the Buyer for the supply of goods and/or services by the Seller shall be subject to and incorporate in their entirety, these conditions, all other terms and conditions whatsoever, being expressly excluded unless specifically accepted in writing and duly signed by the Seller. The Seller is not willing to contract other than on these conditions and any printed or standard conditions which appear or are referred to on any documents emanating from the Buyer, including those generated from the access or use of websites, are to have no legal effect whatsoever (and the Buyer waives any right which it might otherwise have to rely on such terms and conditions).

UNFAIR CONTRACT TERMS

The Seller has drawn up these Conditions of Sale in the light of the Unfair Contract Terms Act 1977 as amended, and considers them to be fair and reasonable and its prices are based on contracts made on these conditions. If the Buyer considers these terms to be unreasonable, he must inform the Seller in writing before any contract is made, otherwise he will be deemed to have accepted that the Seller's Conditions are fair and reasonable.

FORMATION OF CONTRACT

Each order for goods and/or services by the Buyer to the Seller shall be deemed to be an offer by the Buyer to buy the goods and/or services subject to these terms and conditions. No such order shall become binding on the Seller until it has been expressly accepted by the Seller in writing. [For the avoidance of doubt, an acceptance by the Buyer of a quotation provided by the Seller shall be treated as an order by the Buyer.]

VARIATION OF CONTRACT

No alteration to this Contract or any of these conditions shall be binding on the Seller unless agreed in writing.

QUOTATIONS AND PRICING

The price of the goods and/or services will be the price stated in the order accepted by the Seller. Where no price is stated the price of the goods and/or services shall be that listed in the Seller's price list current as at the date on which the order is accepted by the Seller. The quoted price may, unless otherwise stated in the quotation, be varied by the Seller at any time before delivery in accordance with cost variations, including, without limitation, variations in the cost to the Seller of supplies, energy, gas, petrol, transport, materials, labour, operation of transport, including those consequent upon fluctuation in exchange rates, any direct or indirect Customs and Excise duties import and/or export duties or any other taxes, tariffs and surcharges levied or imposed in any country, any change in delivery dates, quantities or specifications for the goods and/or services which is requested by the Buyer and any failure by the Buyer to comply with its obligations under the paragraph entitled 'Buyer Obligations' below. The minimum order shall in any event be £250 excluding [VAT] delivery and any set up or tooling charges and the minimum delivery value will be £100 [excluding VAT].

[Any quotations issued by the Seller may be withdrawn at any time before receipt of the Buyer's acknowledgement in writing and every quotation shall be deemed to be withdrawn if acknowledgement is not received within 30 days from the date thereof unless prior agreement between the Seller and Buyer has been authorised in writing.] The Seller reserves the right to revise the price after issuance to reflect any significant increases that may have occurred. Prices assume that the total units will be delivered within a four-month timeframe of order acknowledgment. If deliveries are scheduled out further, then item pricing is subject to change.

Unless otherwise agreed all deliveries are shipped FCA (Incoterms 2020); where the Seller arranges for delivery of the goods on behalf of the Buyer, the Buyer shall reimburse the Seller the costs incurred in transportation of the goods (including a reasonable administration fee) to their final destination (including, but not limited to, any packaging, loading, unloading and carriage costs). The Buyer shall be fully responsible for arranging and for the cost of insuring the goods once they have left the Seller's premises. All prices for services exclude expenses incurred by the Seller in providing the services and the Buyer will reimburse the Seller for all such expenses (including, but not limited to, travel and subsistence).

Special carriage and/or packaging requested by the Buyer will be charged at cost unless other terms are agreed for any order.

The price for the goods and/or services and any other amounts payable by the Buyer are expressed exclusive of value added tax or other sales tax.

DELIVERY

Unless otherwise agreed in writing by the Seller, delivery of the goods shall take place FCA (Incoterms 2020) at the Seller's place of business. The Buyer shall bear the full cost and risk of carriage, insurance and any other charges relating to shipment/transportation. The Buyer is responsible for testing and inspection of the goods at the Seller's premises before shipment/transportation, whether delivery operates under FCA Incoterms or otherwise, and the Seller will have no liability for any claim in respect of any defect in the goods which would have been apparent on inspection, but which is only discovered after shipment/transportation, or in respect of any damage during transit. Where the Seller agrees to deliver the goods otherwise than at the Seller's premises, the Seller shall be under no obligation under section 32(2) of the Sale of goods Act 1979. The Buyer shall provide at the delivery point and at its expense adequate and appropriate equipment and manual labour for loading/unloading the goods. Testing and inspection may be undertaken and certified, at Seller's premises, by the Seller if so agreed in writing by the Buyer. All goods will be deemed accepted unless Buyer notifies Seller of rejection within three days of delivery. Buyer may reject the goods only for material non-conformities to the warranties expressed hereunder.

The Buyer has 14 days from invoice date to inform the Seller of any discrepancy in the quantity of goods delivered. The Seller reserves the right to despatch and invoice and be paid for more or less than the quantity specified within a margin of 10%.

Unless the Contract provides to the contrary, the Seller may deliver by installments.

Where delivery is to be made by installments, each installment shall be treated as a separate contract and delay, default or non-delivery in respect of any installment on the part of the Seller, shall not entitle the Buyer to cancel the remainder of the contract.
